

# MORONFOLUWA AKINTOLA

## SUMMARY

---

Full Stack Web Developer with 3+ years' experience in programming, seeking to leverage solid skills in math, logic, and cross-platform coding as a developer.

## EDUCATION

---

**Bachelor of Science in Computer Science** *Aug. 2019*  
Osun State University

## WORK EXPERIENCE

---

**FREELANCE WEB DEVELOPER** *May 2018 - Present*

Self employed

- Consulting with clients to outline website goals, illustrate wireframes and developing the website based on the client requirement.
- Developing and deploying responsive websites using the most efficient web technology.
- Identifying and fixing bugs on the website, increasing web traffic by 10%.

**FREECODECAMP** *February 2018-April 2018*

Freecodecamp Responsive Web Design

I developed a tribute page, a survey form, a product landing page, a technical documentation page and personal portfolio webpage with HTML, JavaScript, and CSS and also hosted them on Codepen.io.

**ANDELA LEARNING COMMUNITY** *February 2017*

Andela, Nigeria

**Andela Learning Community with Microsoft: Front-End Web Development.**

I implemented a responsive and mobile friendly website with HTML, CSS, JQuery and bootstrap and I hosted it on github pages.

**Andela Learning Community with Google: Web Development Beginner Bundle**

I built a progressive web application that converts an amount in a currency to its exact amount in another currency.
